Parent-Tot, Ages 1-3
Levels 1-6, Ages 4+

Learn to swim in a heated, outdoor swimming pool at Useless Bay Golf and Country Club. South Whidbey Learn to Swim Lessons teach aquatic and safety skills in a logical progression. Our objective is to teach children to be safe in and around water, have fun and learn basic swimming skills. Children can progress through 6 levels of swimming and safety skills. We offer 4 two week sessions throughout the summer. Each session consists of 8 lessons. Each lesson is 30 minute long. Level 1 –Min 3/Max 4, Level 2-5 –Min 3/Max 6

Swim Lesson Registration

1. Choose the level most appropriate for your child’s ability. If you are not sure what level your child should be in please visit www.swparks.com and click on **Class Descriptions and Skills**. The skills listed are the skills each class will work on.
2. Choose the session, dates and times for the appropriate skill level.
3. Register online or in person at the South Whidbey Parks and Recreation District office.

Students progress through levels at different speeds depending on several factors including their age, physical coordination and comfort in and around the water. When registering for multiple sessions at the start of the summer season please keep in mind the following:

- Level 3 introduces side breathing and often needs to be repeated.
- Level 4, 5 and 6 are in the deep end.

If your child is registered for a level that is not appropriate for his/her skill’s we will make every effort to place that child in the correct class only if there is a vacancy. If there is no vacancy a refund may be necessary.

Safety Day: All classes will participate in Safety Day on the last day of each session. Each class will talk about age appropriate safety skills as it pertains to pools, beaches, and boating. Students will experience wearing life jackets.

Certificates will be handed out on the last day of each session. If you are unable to make it on Certificate Day you can pick it up at a later time. See Kristi Eager during swim lesson hours.

Classes are filled on a first-come first served basis. There will be no make-up days due to personal reasons or weather conditions. We reserve the right to change the levels and times based on number of students enrolled. Classes may be cancelled if there is less than 3 swimmers enrolled.
